The Honourable Minister
Of work, Mabushi, Abuja

APPRECIATION LETTER

On behalf of my Company and entire **Ishan** people, we hereby appreciate your good work. We used this medium to thank you in a polite way. You make **BENIN – LOKOJA** Road dual- carriage way, thank you for job well done.

The first time in history of Nigeria, you are the only minister that brings development close to our people. The elders suggest some pedestrian bridge along the proposed express road because of our old men and women going to the farm.

We are solidly behind you, touch the life of our people in your capacity through Federal Road maintenance Agency (FERMA).

Thanks.

Yours faithfully,

CHIEF OSAGIE WILLIAMS
